President's Word

I would like to thank each of you for your continued support of the Austin Chapter. We have a wonderful board who has worked very hard this year to put together outstanding events for members and supporters.

The success of our events is going to help us scholarship 6 of our members to the Leadership Summit in Washington, DC. This is a great opportunity for members to learn more about AWRT on a national level. The networking and programming benefits members professionally as well as strengthens the future of the chapter.

We hope that you will continue to join us for luncheons and events in 2006! Please feel free to contact me with any comments or suggestions.
