LOCAL BOARD MEMBER SERVED AS JUDGE AT THE GRACIES

For 60 years, the Alliance for Women in Media (formerly AWRT) has served as the voice and resource for women in the media. And for more than three decades, the Foundation has been a leader in celebrating and honoring programming created for women, by women and about women, as well as individuals who have made exemplary contributions to the industry.

The Gracies strive to encourage the realistic and faceted portrayal of women in entertainment, commercials, news, features and other programs.

Austin AWM Board Member **KC Mercer** (of *KFMK/Spirit 105.9*) volunteered to be a judge for this year's festivities. She had the opportunity to view some of this year's finest programming and individual achievements in our industry and helped to determine the year's winners based on the submissions. Judging took place in Washington, D.C. in January.

GAYLE KING NARRATES LATEST PSAS FOR AWM & THE DOVE SELF-ESTEEM FUND

The Alliance for Women in Media has partnered with Dove, the global beauty brand, since 2004, and in 2009, the two organizations worked together to launch a radio public service announcement (PSA) campaign.

We are pleased to add **GAYLE KING** as latest narrator for this campaign, which inspires parents and mentors to help girls to reach their full potential.

AWM and Dove encourage you to download the PSAs for your stations!
