MEDIA CONNECTION

MEET YOUR MEDIA NEIGHBOR!

Melinda Garvey
Publisher & Co-Founder,
austinwoman magazine

Melinda founded *austinwoman* magazine, one of the fastest-growing niche publications in Central Texas, in March 2002. *AW* has grown from a mere 28 pages on newsprint to over 100 pages of full color gloss, while distribution has grown from 20,000 copies to 27,000.

The magazine has become highly recognized for its in-depth profiles and stories on distinguished, educated and interesting women. *AW* has been innovating with the website and online digital edition, as well as diversifying the company into a media company, by adding specialty publications and events, and now introducing an iPhone application!

When she's not selling the publication or buzzing about the community, she enjoys spending time with her wonderful New Zealander husband Christopher and son Beck, boating on Lake LBJ or walking her beloved Wheaton Terrier, Finnegan.

For more information, visit www.austinwomanmagazine.com and follow them on Facebook and Twitter. Stay tuned for all of their events!

MEDIA CONNECTION

Each year, The Gracies recognize exemplary programming created for women, by women and about women in all facets of media and entertainment, as well as individuals who have made contributions to the industry. The awards program also encourages the realistic and multifaceted portrayal of women in entertainment, news, features and other programs.

The 36th Annual Gracie Awards will be presented at a black-tie Gala at the Beverly Hilton Hotel, Los Angeles, CA on Tuesday, May 24, 2011. Local market, public and student award winners will be announced prior to the event.

Your residence must be beneath a rock if you don't know how to tweet, follow, like or friend someone in today's day and age. Digital assets, including medium websites and social media platforms, are evolving at a rate unlike anything we have experienced in modern times. Soon we will be able to do almost everything with one device...a phone.

But what does this mean for traditional media and more importantly their clients? You know the power of your medium, but have you grasped the power of digital assets?

Come join us on **March 9th, 2011 from 11:30am-1pm** for AWM's Luncheon with our panel of guests whom will discuss creative ways to utilize online and social media platforms to drive brand awareness, call-to-action and revenue for your medium and clients!
